1. Screening and predicting malnutrition in cancer patients undergoing radiotherapy
N. BARTHELEMY (1), L. TROKAY (2), A.F. DONNEAU (2), F. PRINCEN (1), P.
COUCKE (1), A. ALBERT (2), M. GUILLAUME (2) / [1] University of Liege, Liège,
Belgium, [2] School of Public Health, University of Liege, Liège, Belgium  ABSTRACT 156

2. Higher food intake and appreciation with a new food delivery system in a Belgian hospital
E. DE WIT (1), P. GOEMINNE (2), C. BURTIN (3), Y. VALCKE (1) / [1] AZ Nikolaas,
Leuven, Leuven, Belgium  ABSTRACT 177

3. Is early oral energetic liquid diet dangerous in acute non surgical complicated
diverticulitis?
G. VAN OOTEGHEM, W. MARGOS, A. EL NAWAR, J.F. GALLEZ, A. PATRIS, J.
KIRSCH, A. NAKAD / CH Wapi Notre Dame, Tournai, Belgium  ABSTRACT 66

Y. VANDENPLAS (1), S.G. DEHERT (2), PROBIOTICALSTUDYGROUP (3) / [1] UZ

5. Effects of an artificial hypercaloric and hyperproteic feeding on nutritional status in
post-surgery head and neck cancer patients.
C. Malherbe (1), J. De Flines (2), A-M. Verbrugge (1), P. Demez (3), P. Moreau (3), N.
Paquot (2). (1) division of diabetics (2) division of diabetes, nutrition and metabolic
diseases(3) division of otorhinolaryngology. CHU Sart-Tilman, University of Liège, Belgium

6. “Development of quality of care interventions for adult patients on home parenteral
nutrition (HPN) with a benign underlying disease using a two-round Delphi approach”.
Mira Dreesen, Veerle Foulon, Kris Vanhaeckt, Martin Hiele, Lutgart De Pourcq, Loris Pironi,
Van Gossum André, Geert Wanten, Janet P Baxter, Francesca Joly, Cristina Cuerda and Ludo

Coffee break 30 min
7. Factors associated with Vitamin D insufficiency in a population of HIV-infected patients.
   THEODOROU, T. SERSTÉ, M. VAN GOSSUM, S. DE WIT / ULB Saint-Pierre, Brussels, Belgium ABSTRACT 203

8. Nutritional deficiencies in pregnancy are frequent after bariatric surgery: a prospective cohort study

9. Effect of iv lipid emulsion containing soybean oil, medium chain fatty acids and fish oil on the serum fatty acids profile in long term HPN patients.
   Marianna Arvanitakis, Viviane Lievin, Ascunsion Ballarin, André Van Gossum. Equipe Nutrition, Hôpital Erasme, Université Libre de Bruxelles, Belgique

10. Treatment of a Patient With D-lactic Acidosis with Home Parenteral Nutrition
    K. BOEYKENS, I. DUYSBURGH / AZ Nikolaas, Sint-Niklaas, Belgium ABSTRACT 57
